

“KoningsHaven” Office

The office lies to the North-East of the new 2nd Benelux Tunnel and is easily accessible by public transport (metro) and car.

From the North KH-Engineering is accessible by car via the A20 in the direction of the Benelux Tunnel. Before the tunnel take the exit “Schiedam-West Haven 500-700”. At the bottom of this exit turn left, on your right-hand side lies the “Vijfsluizen” area and the KH-Engineering office. Follow the signs “Vijfsluizen”. Parking space is available behind the office.

From the South KH-Engineering is accessible via the A15 in the direction to the Benelux Tunnel. Select the right tunnel tube and take the exit “Schiedam-West Haven 500-700”. At the bottom of this exit turn left, on your right-hand side lies the “Vijfsluizen” area and the KH-Engineering office. Follow the signs “Vijfsluizen”. Parking space is available behind the office.

Metro: take the “Calandlijn” in the direction of Spijkenisse. Alight at station “Vijfsluizen” where you will find yourself at a 1 minute walking distance from our office.

The nearest airport is Rotterdam Airport. This is situated to the North of Schiedam and is approximately a 15 minutes drive by car.
